**PETALING JAYA:** Tabung Haji has announced a special golden jubilee bonus payment amounting to RM2.46bil for its 8.2 million depositors.

Minister in the Prime Minister's Department Datuk Seri Jamil Khir Baharom said accumulated additional reserve over the last seven years has enabled Tabung Haji to give a generous bonus in conjunction with its 50th anniversary celebration.

"I am pleased to announce that Tabung Haji Golden Jubilee Bonus includes an annual bonus payment at the rate of 6.5% and a special bonus payment at 1.5%.

"This is the highest amount given in the last 50 years," he said, adding that the payment would be credited to depositors' accounts on Sunday.

While the annual bonus is calculated based on the minimum

monthly balance between January and December last year, the special bonus is calculated based on minimum monthly balance stretching 84 months from January 2006 to December last year.

"The annual bonus amounts to RM2.133bil while the special bonus amounts to RM325mil, bringing the total bonus payment to RM2.46mil," he said.

Tabung Haji had previously given a special bonus of 2% in addition to 5% annual bonus in 2007 to commemorate the 50th Merdeka celebration.

The annual bonus rate announced this year is also the highest, compared with 5% in 2008 and 2009, 5.5% in 2010 and 6% last year.

The number of depositors had also increased from seven million to 8.2 million during the corresponding period.
