Register for haj via ATM

KUANTAN: The public can now register for the haj by using the Automated Teller Machine (ATM) without going to the Lembaga Tabung Haji (TH) counter.

TH chief operating officer Datuk Kamarudin Mat Ali said the public could do so at Bank Kerjasama Rakyat Malaysia Bhd (Bank Rakyat), Maybank and Bank Islam Malaysia Berhad ATMs nationwide.

"The individuals must have accounts with TH and must hold cards of the banks in question," he said here yesterday. He said the individuals must have a minimum saving of RM1,300 in the TH account.

He said the public could register for the haj online by surfing the Tabung Haji website at www.tabunghaji.gov.my. **Bername**
