► TH Heavy wins fabrication job

TH HEAVY Engineering Bhd's (THHE) wholly owned unit, THHE Fabricators Sdn Bhd, has received a letter of award from Lundin Malaysia BV for the fabrication of well-head platform (WHP) in relation to the PM307 Bertam Field Development Project. The project cost was not mentioned in a filing to Bursa Malaysia yesterday. Under the contract, THHE will undertake the fabrication of WHP for the field located 175km off the east coast of Peninsular Malaysia. It is a one-off contract and the scheduled completion date for the contract is 12 months.
