# Tabung Haji to build complex in Mecca

**BALING:** Tabung Haji is identifying a plot of land in Mecca, Saudi Arabia, to build its own complex to better serve Malaysian pilgrims in the Holy Land.

Lembaga Tabung Haji chairman Datuk Seri Abdul Azeez Abdul Rahim said he had recently visited Mecca to identify a suitable location to build the first Tabung Haji Complex there.

Azeez, who is also Baling member of parliament, said he was confident that the plan would materialise based on the good relationship between Malaysian and Saudi Arabian governments.

"We hope by having the complex, it will

enable us to better serve Malaysian pilgrims, especially during the Haj season," said Azeez after handing over Tabung Haji tithes to underprivileged people at Dewan Tun Razak here yesterday.

Present was Kedah Tabung Haji director Ahmad Sohaimi Datuk Abd Rahim.

A total of RM200,000 in tithes was distributed to 400 underprivileged people during the ceremony.

Tabung Haji has allocated RM1.7 million for tithes distribution to more than 3,400 underprivileged people in the country.

He said the tithes would be distributed in stages to all states.
