Staying healthy during pilgrimage

Ng (left) with Abd Halim at the hand over of hygiene kits for the pilgrims.

ANTABAX, recently collaborated with Lembaga Tabung Haji Malaysia (LTH) in rolling out a corporate social responsibility (CSR) campaign at Kompleks Haji, Kelana Jaya. Under this initiative, Antabax will supply 4,000 hygiene kits to pilgrims who will be departing for their Hajj.

Each pilgrim will receive a kit that contains an Antabax bar soap, one Hand Sanitizer Spray (50 ml) and a pack of Antabax Antibacterial Cleansing Wipes for personal use as the aim is to provide protection against germs.

"Antabax is committed to assisting the community in tangible ways when it comes to personal hygiene and health. The Antabax hygiene kit is our way of fulfilling the needs of pilgrims. The sanitiser spray and antibacterial wipes can be used even in places with limited running water for added convenience," said Francis Ng, general manager, Household and Personal Care Marketing Division, Lam Soon Edible Oils Sdn Bhd. "Lembaga Tabung Haji Malaysia is appreciative of Antabax's collaborative effort in caring for the health and well-being of Malaysian Hajj pilgrims," said Abdul Halim Md Jamil general manager of Property Management and Administration as well as deputy director of Hajj Operations.

Antabax products are certified halal by JAKIM, safe for use by Muslims.
