## Disruption of Tabung Haji service

**KUALA LUMPUR:** Tabung Haji said its access service would be disrupted from 6.30pm yesterday until 6pm today (May 24).

In a statement yesterday, the Tabung Haji said it would be carrying out maintenance work on its internal system nationwide.

The process would affect access to its automated teller machines (ATMs), cash deposit machine (CDMs) and Unitellers at Bank Islam, Bank Rakyat and Maybank Islamic, it said.

Depositors are advised to communicate directly with the nearest Tabung Haji office or call 03-62071919 for assistance. - Bernama
