## TH Heavy clarifies report

**PETALING JAYA:** TH Heavy Engineering Bhd has denied making any claim that it is close to winning a major contract related to Petroliam Nasional Bhd's SK316 project.

It was referring to *StarBiz* report *TH Heavy Frontrunner For Job* that quoted sources on the matter. "It also did not announce the joint bid of the SK316 project with McDermott and if McDermott is awarded will carry out the fabrication of the Central Processing Platform at its Pulau Batam Yard," it said in a filing with Bursa Malaysia.
