• EPF launches haj facility

THE Employees Provident Fund (EPF) has launched its haj facility, the EPF Members' Haj Registration, which is aimed at helping lower income groups register early for the haj. Members who are Malaysian citizens or permanent residents, aged below 55, with a minimum of RM1,300 in their EPF account 1 are eligible for registration, said EPF in a media statement yesterday. No withdrawal of EPF savings is required, said EPF, and registration can be done at Tabung Haji counters, Bank Rakyat and Bank Islam branches nationwide.
