Three million Tabung Haji depositors yet to nominate beneficiaries

KUALA LUMPUR: About three million out of the more than seven million Tabung Haji depositors have yet to nominate their beneficiaries.

According to Lembaga Tabung Haji (TH), the situation can be extremely difficult for family members to claim the deposit if the depositor dies.

"Tabung Haji always refers to the beneficiary nomination form before approving any savings in case of any death of depositors.

"Tabung Haji management urges all depositors who have not made any beneficiary nomination to act immediately at any of the 119 Tabung Haji branches throughout the country," said TH in a statement.

According to the statement, the beneficiary nomination form is available at all Tabung Haji branches and can also be downloaded from the website www.tabunghaji.gov.my.

For any enquiry, the depositor can contact Tabung Haji call centre at 03-62071919, fax 03-77284959 or e-mail to th@info.gov.my. - Bernama
