## Malaysian haj pilgrims taken care of

**MECCA:** Tabung Haji is placing emphasis on the welfare and medical aspects of Malaysian pilgrims to ensure that they can perform their haj properly and without any pressure.

Thus, the 11 hostels prepared for the Malaysian pilgrims are equipped

with various facilities such as restaurants, laundry, lounge and stalls.

The manager of Maktab 88, located at the Tabung Haji operations centre at Janadariah Hotel here, Mohd Haikal Mohd Yusof, said every hostel could accommodate between

1,000 and 2,000 pilgrims.

"We provide a restaurant that has a Malaysian menu, including teh tarik. We have telephone facilities for pilgrims to contact their family members, as well as counselling services for men and women." **Bernama**
