The points of interest to be raised

| Company | Points/issues to be raised |
|-----------------------------------|---|
| Telekom Malaysia Bhd AGM | <ul style="list-style-type: none"> ● What is the Group's targeted take-up rate by the end of 2010 for the HSBB network and services given its subscription rate per Megabits per second (Mbps) is among highest in the region? ● The Group had spent about RM1.9 billion for the HSBB until end December 2009 and expected to spend about RM2.0 billion in 2010, RM1.5 billion in 2011 and RM1.8 billion in 2012. How would the Board propose to fund such significant investments amidst the required capex for its business as usual (BAU) and its dividends commitment? |
| TH Plantations Bhd AGM | <ul style="list-style-type: none"> ● The Board targets to expand land bank to 50,000 ha by 2012 at strategic locations to complement the Group's existing growth strategy. Is the Board looking at existing plantation or new planting, locally or overseas? Would the acquisition be from the plantation land owned by Lembaga Tabung Haji, the Holding Pilgrim Fund? ● Which subsidiaries have the impairment amounting to RM30.5 million? |
| CIMB Group Holdings Bhd AGM & EGM | <ul style="list-style-type: none"> ● The CIMB Group's net non-performing ratio improved to 2.0% compared to 2.3% as at end of 2008. However, at the CIMB Thai level, the net NPL ratio is relatively high. How would the NPL levels at CIMB Thai be reduced? ● The proposed dual listing of CIMB on the Stock Exchange of Thailand (SET) is expected to be completed by mid June 2010 as stated in the Circular to Shareholders. Would the proposed listing on SET be deferred should the political unrest in Thailand prolong, as investor sentiments may be adversely affected? |
